

# DISCOVERY 33

## 6 BERTH CRUISER

Step aboard this fine craft and you cannot fail to be impressed at the care taken to produce it.

Every amenity for the fastidious private owner with six single berths (in three separate 2 berth cabins), 2 toilet compartments – one with shower, galley with stainless steel sink and, of course, hot and cold water.

All designed around the raised wheelhouse, with sliding canopy, which becomes the social centre of the boat.

Standard Specification includes:

- Stainless Steel Pulpit
- Electric Shaver Point
- Curtains
- Carpeted Floors in Cabins
- Vinolay in Wheelhouse
- Hot water supply
- Electric Windscreen Wiper.

## STANDARD SPECIFICATION

### Dimensions

Length overall 33' 0" (10.05m)  
Beam (maximum) 10' 4" (3.15m)  
Displacement 4.25 tons with standard engine installation.  
Draught 2' 4" (0.71m) standard specification.

### Hull and Superstructure

Moulded in our works from the finest glass reinforcement and Polyester Resins. Guaranteed to be free from fillers and alkali glass. A wide choice of colours is available.

### Deck

Wide side decks incorporating a moulded toe rail and anti slip surface. The wheelhouse canopy is movable and slides on moulded tracks incorporated in superstructure.

### Interior

Tastefully fitted out with careful blending of oiled teak and selected plastic laminates. Berths are all at least 6'-3" in length and have Vinyl covered 4" Polyfoam cushions. Cabin floors are carpeted and the wheelhouse galley and toilets have colour blending vinyl.

### Galley

Conveniently situated to the wheelhouse saloon, it is finished in easy clean laminates, has stainless steel sink with hot and cold water. Good working surface and ample storage.

### Toilet-Shower

Both toilets are fitted with water flush marine toilets, wash handbasin, shaver point and mirror. The aft toilet has a shower compartment.

### Steering & Controls

Conveniently to hand engine and gearbox by Teleflex Single lever control. Steering by Teleflex to ship's wheel.

### Capacities

Two 50 gallon interconnected Tanks supply your fresh water and one 40 gallon Diesel Tank.

### Engine

The well proven Leyland Thornycroft 90 Marine Diesel Engine, Borg Warner Reduction Gearbox is fitted as standard. Suitable alternative engines fitted on request.
