

## **Fjord 21 Daycruiser**

A daycruiser should have a maximum of open cockpit space, which is exactly what Fjord 21 Daycruiser has. Large and spacious cockpit - well suited for all kinds of water sports, such as diving, fishing and waterskiing.

Also suitable for short overnight trips.

Two sleeping berths in the cabin, and two more in the cockpit if needed. Fjord 21 Daycruiser is a «dry» and easily manoeuvrable boat which can also stand up to rough seas.

### **Specifications:**

LOA 6,49 m

Beam 2,50 m

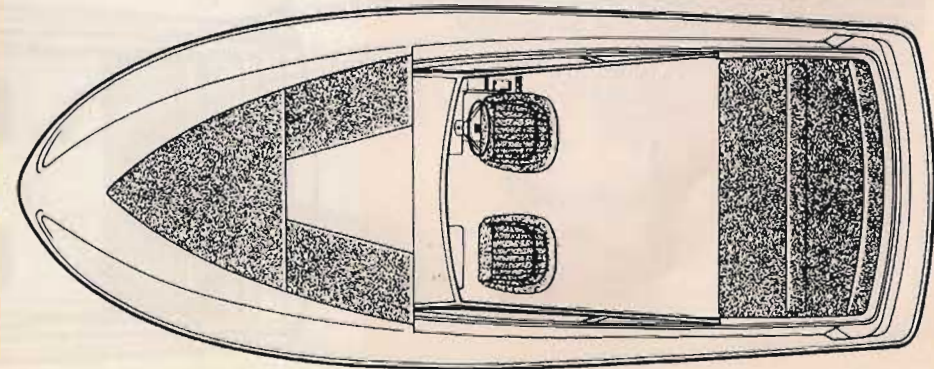

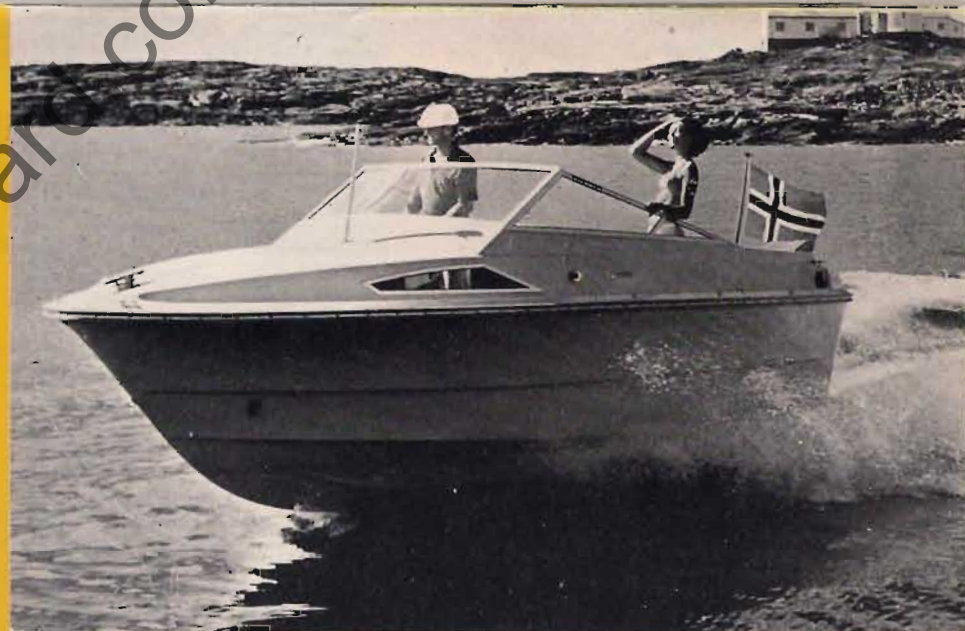

Draft 0,73 m

Volvo Penta Aq. 130/270

(Other engines optional)

2-3 sleeping berths.

Standard and de Luxe versions.

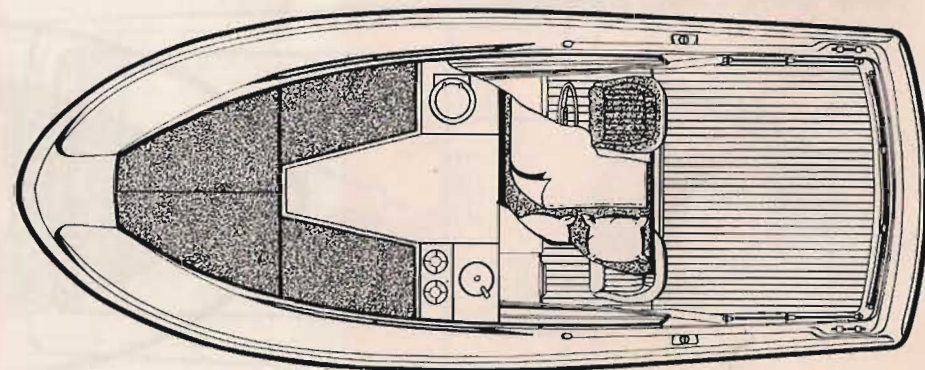

## **Fjord 21 Weekender**

The smallest of the Weekender boats. All boats in this series have been constructed with a view of obtaining a maximum of exterior passenger space, still offering a roomy cabin. In the main cabin, there are 2-3 sleeping berths, and 2 more in the double bed under the «bridge». Well equipped galley and separate toilet. Fjord 21 Weekender is a fast and seaworthy boat, exceptionally manoeuvrable.

### **Specifications:**
