

THE EMERALD 26'

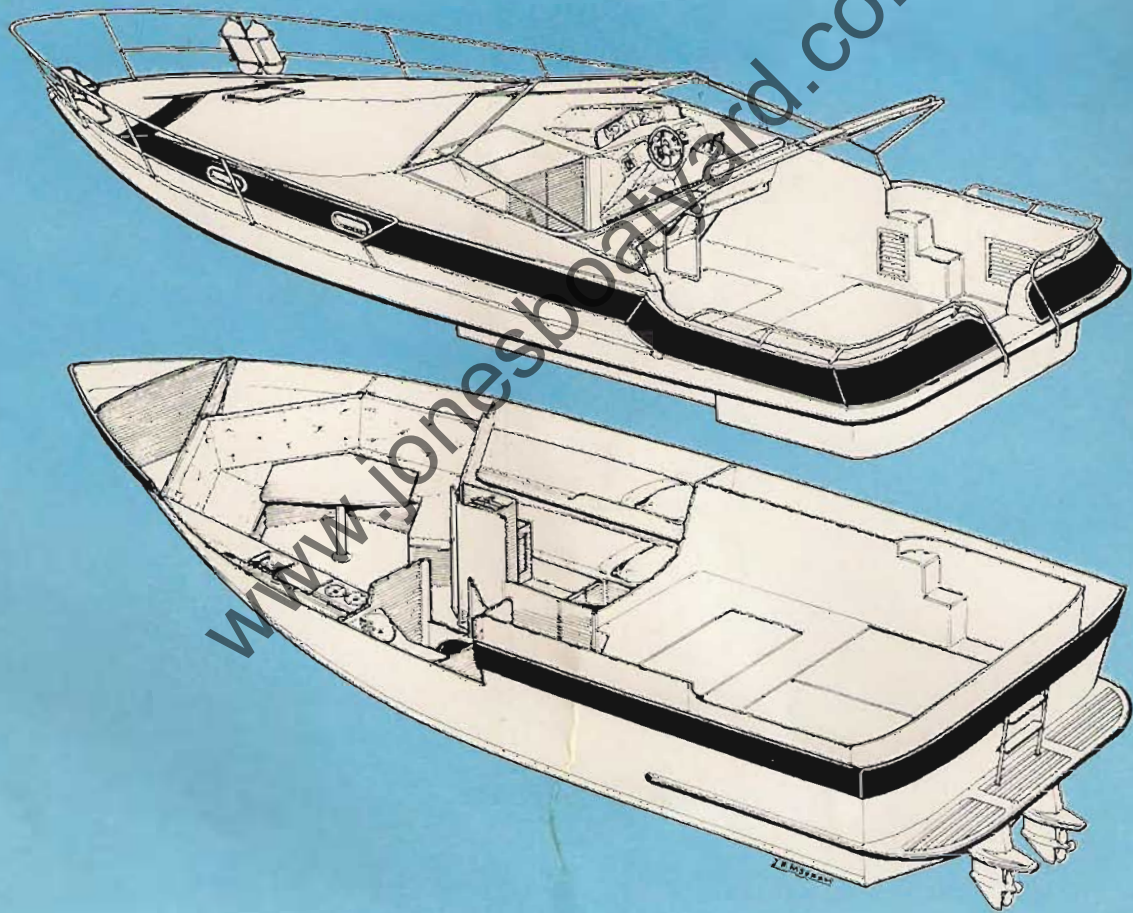

A SPARKLING NEW PERFORMER FROM RELCRAFT

RELRAFT CRUISERS

London Road, Salisbury, Wiltshire, England. Telephone: [0722] 334713 Telex: 477019

THE RELCRAFT EMERALD 26' ...COLOURFUL PERFORMANCE AND ELEGANT LINES!

A colourful motor-craft with rich performance and elegant lines, and one of a trio of 'new look' luxury motorboats from the Relcraft stable.

The Emerald incorporates the latest in Italian styling and design techniques, with luxury accommodation for up to 6 persons in three separate compartments.

Fast and stable offshore; she is a stylish performer with the looks to match.

Inside, the luxury living accommodation is a treasure chest of delights.

There is a fully fitted luxury galley, with a fridge, a convertible dinette in the cockpit that doubles as a secluded upholstered sunbathing bed for two people, and there are two separate cabins which sleep a further four people.

In the cockpit, the double helmsmans seat means twice the fun, and the two part cockpit canopy gives protection against the sun and weather. The windows and screen are even tinted.

The Relcraft Emerald 26' is sleek, luxurious yet totally reliable, and built to the same exacting standards that make all Relcraft Cruisers real quality craft.

The Emerald 26' epitomises the strength and dependability of any good investment, without sacrificing the good looks and sheer luxury that sets her apart as a special breed.
