Description

Craftsman built 2+2 Berth Cruiser fitted out in SAPELE and BRAZILIAN MAHOGANY hardwoods. With ample storage throughout, this easy to handle cruiser makes an ideal first introduction to river cruising.

Galley

Three burner Optimus hob with grill and oven. Stainless steel sink unit and electric refrigerator. Storage cupboards overhead.

Shower Toilet Compartment

Formica lined throughout

Manual toilet with stainless steel holding tank. Hand held shower system with electric waste water pump from hygienic floor grill. Vanity hand basin with storage under. Mirror with overhead light and shaver point.

Soft Furnishings

Top quality carpet with aluminium trim, high quality lined curtains and Dralon upholstery to customers colour choice. Infill cushions for double bed conversion in forward berth, two Dralon covered berth headboards. Facilities to convert dinette seating area to additional double or single berth.

Heating

The thermostatically controlled diesel fired heating with ducted warm air to cabin and cockpit area, makes this vessel suitable for all year round use.

Radio

High quality stereo radio cassette player fitted with two speakers.

Cockpit

Fitted with two adjustable helmsman's vinyl covered bucket seats. Helmsman's console with sports wheel. Fold down windscreens, two windscreen wipers. Stainless steel hoop, with fitted anchor light. High quality Everflex hood. Bulkhead lights, seat and floor storage lockers. Fitted cockpit seat cushions and backrests.

Safety Equipment and Cruising Inventory

Ample handrails, sternhead roller, four mooring ropes, suitable mud weight or anchor, life ring and two fire extinguishers. Pulpit and pushpit rails. Full set navigation lights, speed log, depth sounder, compass, watertank contents gauge and fuel tank contents gauge.

Engine – Supreme

The engine supplied is a NANNI, 35 hp. fitted with suitable 2:1 reduction gearbox. Rev. counter with comprehensive set of engine instruments. Individually illuminated circuit breakers, stylishly mounted in their own panel as standard equipment.

Optional Extras

Pure TEAK, OAK or CHERRY finish throughout. Tonneau cover ideal for winter storage.

Hard Top

Hard top available in place of hood, includes overhead hatches, soft lined, with lights, larger windscreens with sliding side windows, side canopy and back curtains in Everflex.

Buying on a Budget

A standard version of this boat is available, details and prices on request.

We reserve the right to alter prices and specification without notice.
