

# the Seamaster 30

a sleek motor cruiser for six with three separate cabins and a choice of engines to give you speeds from 7 knots

A really splendid Seamaster for cruising. With powerful hull and superstructure moulded of reinforced plastic G.R.P. Comfort is its outstanding characteristic. Beautifully appointed and built to take single or twin petrol or diesel engines—whichever you prefer—giving speeds from 7 knots.

#### Luxury modern interior

Natural wood finishes help to give a feeling of lightness and spaciousness. You have three separate cabins with sleeping accommodation for six. The aft cabin has a built-in dressing table, two separate hanging cupboards, and wash basin with hot and cold water. There's a separate toilet compartment with sea toilet and wash basin. The galley will make a woman feel at home, it has an oven/cooker, stainless steel

sink unit with hot and cold water, electric refrigerator, plenty of working tops and stowage space. While men will welcome the 6" 3" headroom in the main cabin and 6" in the aft cabin. All cabins are carpeted and curtained throughout.

#### Please note

The boat shown here is not the Standard 30'. We do not supply as standard:

Anchor	Ensign Flag
Anchor winch	Davits
Whip aerial	Name Sea Gander
Searchlight	Dinghy

#### Exciting power possibilities

*Standard equipment is:*

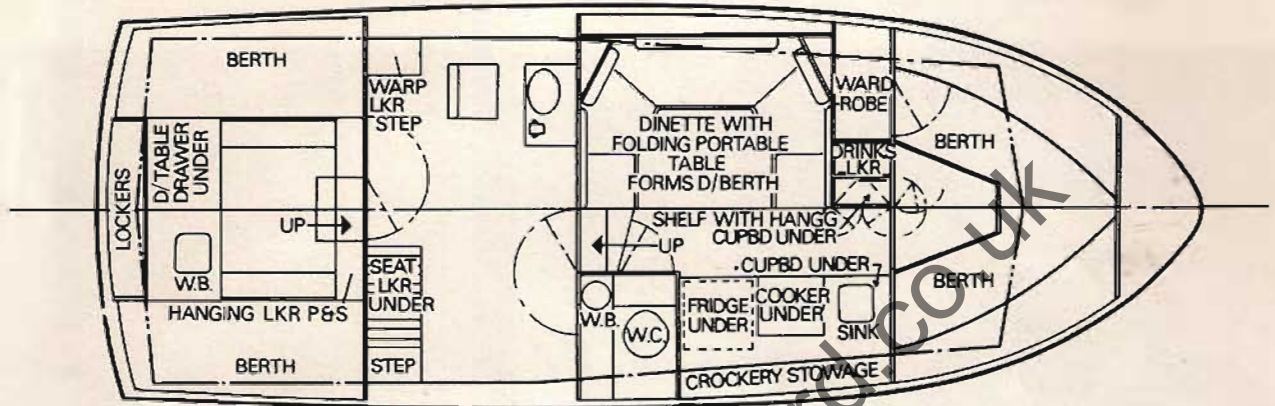

Single Perkins 4.107 Diesel Engine with T.M.P. Hydraulic Gear Box, 2:1 Reduction and single lever controls.

*Optional power units are:*
