

Viking 22

The Viking 22 features a unique combination of modern, sportsboat styling and excellent internal accommodation and specification. With four full size adult berths and Vikings de-luxe level of fittings, the Viking 22 offers cruising in comfort and style.

"It looked right, was clearly well-built and well-finished and came at a price that is going to encourage many newcomers to take up boating. Externally the 22 is an attractive boat . . . good quality teak joinery and luxury upholstery and fabrics creates a warm but practical interior. Underway the Viking was a dream. The Honda gave smooth, quiet power . . . without smoke or smell and with fuel consumption close to half that of an equivalent two-stroke."
