

Viking 23

The Viking 23 is a canal beam, four berth family cruiser offering comfortable accommodation with a level of specification normally found in larger and more expensive craft. The classic layout plan allows total flexibility for both day-time cruising and evening entertaining aboard.

Featuring a full galley, with refrigerator, oven, hob and grill, and hot and cold pressurised water with a shower, the Viking 23 is perfect for longer breaks afloat for both first-time buyers and those wishing to "move-up" to a larger craft.
