

# Viking 24

Introducing the **VIKING 24** - a luxurious four berth cruiser of traditional design. A complete boat at a competitive price.

Step aboard into the roomy, carpeted cockpit, complete with helmsman's seat and enormous stowage compartment beneath the deck. Screen and canopy are standard. The high standard of finish in the comfortable cabin includes full lining, teak ply trimming, electric lighting, stainless steel sink and full cooker, separate toilet compartment with Portaflush toilet, berth cushions, etc. etc. The two forward berths are full length with stowage under and the dinette converts to a double berth also with stowage space. On the port side there is a wardrobe and opposite, a shelved cupboard. A roof hatch gives extra light and aids ventilation. Full headroom. Topside - pulpit, and deck fittings are all standard.

**Length:** 23'0" 7.07 m

**Beam:** 8'0" 2.46 m
