

Viking 26 wide beam

The flagship of the Viking range, the Viking 26 wide-beam features an excellent lay-out with extensive accommodation for up to six adults. Combined with full specification including full oven, hot and cold pressurised water system with shower, and a refrigerator, the Viking 26 wide beam offers the facility for comfortable long-term river cruising.

"Generous 9ft beam allows a possible six berths . . . add to this a separate shower/toilet compartment and a spacious cockpit and you have the ideal boat for comfortable day-boating or longer cruising. Underway the Viking proved a perfect river boat. Manoeuvring . . . was simple . . . and the power was smoothly controllable."
