

Viking 32

The largest boat in the Viking range, yet still surprisingly easy to handle and manoeuvre, the Viking 32 offers the benefit of a totally separate aft cabin with full standing headroom, full size adult double berth, and separate shower compartments aft and forward.

Combined with the Viking deluxe specification and fit-out, the Viking 32 allows her owners to cruise both rivers and canals in complete comfort.

"The Viking 32 is well-built and good value for money. For your first time afloat it would be hard to beat with the added bonus of a good resale value."

Riverboat Magazine

"We feel the Viking 32 to be a good choice not only for the first time boater, but also for the enthusiast intending to move up in size and range. We . . . would certainly recommend the craft as being very suitable for inland cruising."
