**"Fill Your Heart"**

60ft Eurocruiser

REF: 72

**Manufacturer/model:** Collingwood / 60ft Eurocruiser

This wide beam vessel has been exceptionally well maintained and fitted out to a very high standard and is fully spec'd for live aboard or leisure use. The large cruiser stern has fixed seating providing a comfortable and spacious outside space above a Canaline 52 engine. Wheel steering to port. Inside, the cabin is light with a mixture of oak faced ply and cream panelling with oak and carpeted floors. There are large white Granite worktops in the galley with an array of modern appliances and plenty of storage throughout. The saloon houses a nicely sized, comfortable sofa and chairs with a central stove supplementing the Webasto driven central heating. Off the corridor is a well-appointed bathroom followed by a spacious forward bedroom with a king sized bed and plenty of space to walk around. Twin wardrobes provide generous storage along with bedside cabinets.
